The main features:

A set of three power sockets 2P+Z with built-in USB charger in the retractable top housing provides access to electrical outlets. After the casing is pressed, the precise mechanism advances the panel with sockets automatically. Designed for indoor installation in desks, table tops and office furniture. To install the device in a table top, only one hole of 10cm diameter and 10cm depth is needed. It is equipped with a 1.5m long cable. Plastic + aluminum.
